

May Block of the Month

TWISTED TULIPS

14 inch square neutral background
Green for stems and leaves
Lt and dk material for flower parts and circle
Matching thread
Freezer paper or template plastic

Fold background fabric into quarters and press

Trace pattern onto template plastic or freezer paper.
You can trace circle onto lt wt cardboard or a manila folder
Seam allowances not added for needle turn applique

Trace templates onto material: you need 4 green stems,
8 leaves, 4 flowers, 4 flower centers and one circle

If using freezer paper press on top of material, trace
around template and add seam allowance when
cutting out. Machine applique, fusible or buttonhole
applique does not require that a seam allowance be added.

Applique pieces down using your favorite applique method.

Circle: trace onto lt wt cardboard or a manila folder, cut out. Trace onto right side of
material and cut out leaving a large seam allowance. Sew a row of basting stitches
between the drawn line and the cut edge. Gather around your circle template. Spray with
sizing or spray starch. Press with iron and allow to dry. When dry remove basting stitches,
template and applique in center where flower stems come together.

Trim block to 12 1/2 inches square.
