March 2008

- Background** A-D-H-G beige print  
**Birdhouse** C - red print  
**Roof** F - dark blue print  
**Platform** E - light brown print  
**Post** B - dark brown  
**Circle** fuse or sew 2" black circle 1 1/2" up from platform E

- Dimensions shown on the pattern are the **CUT** size of each piece.
- **Bottom section (post)** - Sew A to each side of the B piece. Set aside.
- **Birdhouse** - Add a D to each side of C as shown. To cut 45° roofline, fold C-D unit in half along marked center line. Place 45° line on ruler along top edge of C.
- Starting at **FOLD**, cut along ruler edge from top center of C down to outer edge of D as shown on pattern.
- **Platform** - Sew E to bottom of C-D unit.
- **Roof** - Sew F to each side along 45 degree angle just cut, overlapping upper edge as shown.
- Cut 6 1/2" G square in half diagonally and apply to both sides of roof. Trim if needed.
- Add H to both sides of center section, and then apply the Post section to the bottom.
