Star In A Star

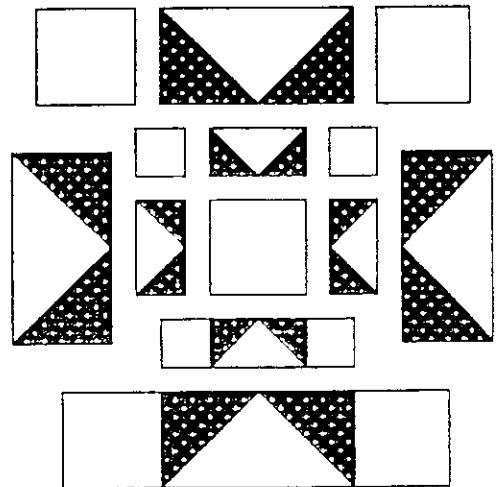

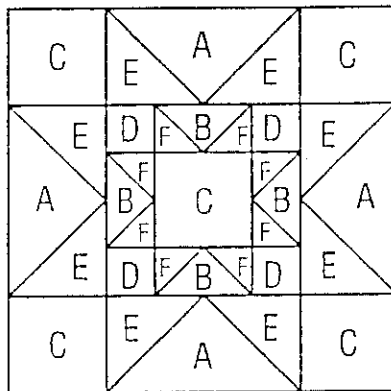

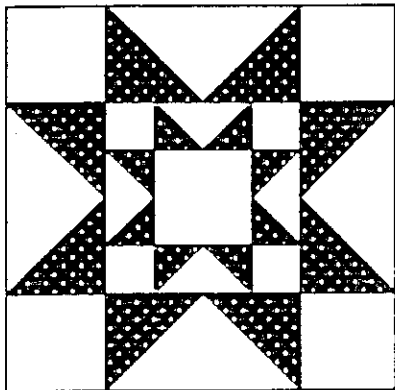

from 1998/1999

\* Disregard this info: ↘

For this year, we will do 'Christmas in July', which simply means that we will do two blocks in July, the July block, and the block for December (the only month in which we don't have a meeting.).

For this pretty star block, choose a white on white background. If your last name starts with letters A through M, please use a *red Christmas print for the E patches* and a *green Christmas print for the F patches*. If your last name start with N through Z, please reverse that, use a *green Christmas print for the E patches*, and a *red Christmas print for the F patches*.

\* Use scrappy fabrics with small print off white for background and beige prints

A: 1  →  7 1/4"

C: 5  3 1/2"

D: 4  2"

E: 4  →  3 7/8"
