

SEPTEMBER 2018 BOM

PROPELLERS

White

Two 2" x 13" strips
Four 1-1/2" squares
Eight 3-1/2" squares

Blue

One 1-1/2" x 13" strip
Four 3-1/2" squares

Yellow

One 1-1/2" x 13" strip
Four 3-1/2" squares

1-Strip units: Sew white 2" x 13" strip to blue 1-1/2" x 13" strip (once sewn, this should measure 3" x 13"). Cut the pieced strips vertically into eight 1-1/2" slices (you will have some of the pieced strip left over). Repeat with second white strip and yellow strip.

2-Half-square triangle units: Stack the white 3-1/2" square and blue 3-1/2" square, right sides together. On the back of the top square, mark a diagonal line and stitch a scant 1/4" above and below the marked diagonal. Cut apart on the marked line and press seam towards the blue fabric. Trim unit to measure 3". Repeat to make a total of 8 blue half-square units and 8 yellow half-square units.

3-Using the block diagram as a guide, lay out units as shown. Using a scant 1/4" seam allowance, sew blocks into rows. Press seam allowances in alternating directions by row. Join the rows to complete the block. The block should measure 12-1/2" square.

BONUS

** Fast half-square triangles. To sew 8 units at a time, cut two 6-3/4" white squares and one 6-3/4" square of blue and yellow. Check out this YouTube video for instructions!
