Forest Paths – 12 ½"

Medium/light green: 4 x (8 ½" x 2 ½")

Dark green: 2 x5" squares

Yellow: 2 x 5" squares

   4 x 2 ½" squares

1) Cut out all the fabric pieces. Set aside the medium/light green rectangles and the 2 ½" yellow squares.
2) Draw a diagonal line from corner to corner on the 2 yellow 5" squares. Match each yellow square with a dark green square, right sides together. Sew a ¼" seam on either side of the marked line. Cut apart on the marked line and press seams to the dark side. Trim each square to 4 ½"
3) Sew the 4 yellow and dark green half square triangles together to form the block's pinwheel center.
4) Sew a medium/light green rectangle to opposite sides of the center pinwheel block.
5) Sew the 2 ½" yellow squares to each end of the 2 remaining medium green rectangles.
6) Sew the yellow/green rectangle units to the remaining sides of the block. Press.
