March 2022

Anvil

Color A: Green
  (2) 3 ½" squares

  (2) 3 7/8" squares
  (1) 6 7/8" square

Color B: White on White
  (2) 3 ½" squares

 (2) 3 7/8" squares

  (1) 6 7/8" square

Stack a Green 3 7/8" square and a White 3 7/8" square right sides together. On the back of the top square lightly mark the diagonal. Sew 1/4" above and below the marked diagonal. Cut apart ON the marked diagonal. This will give you two half squares. Press seam allowances towards the darker fabric. Repeat with the second Green and White 3 7/8" squares and the Green and White 6 7/8" squares.

Then sew the corner units, by sewing a White square to a half square unit along the right edge, right sides together, using a 1/4" seam. Sew another half square to a Green square. Make two of each of these units.

Sew the first and second units we just made together along the bottom edge, again using a 1/4" seam. Press seam allowance towards the bottom unit. Make two of these units.

Now piece the block. Sew each of the two large half squares to a corner unit. Alternate pressing directions to form a completed block.
