Windmill #3

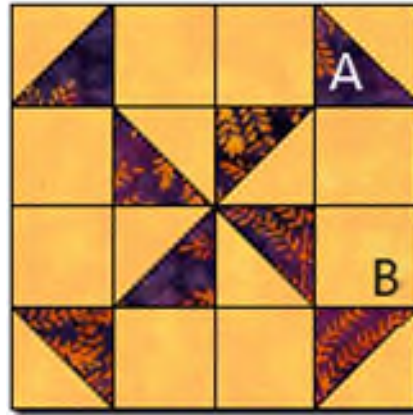

Color A: Yellow

(4) 3-7/8" squares

Color B: White

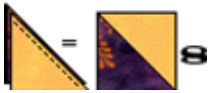

(4) 3-7/8" squares

(8) 3-1/2" squares

Stack the (4) Yellow 3-7/8" squares and cut them once on the diagonal to make eight half square triangles.

Stack the (4) White 3-7/8" squares and cut them once on the diagonal to make eight half square triangles.

Using a scant 1/4" seam allowance, sew pairs of Yellow and White 3-7/8" half square triangles to make eight Half Square units. Press seams to darker side. Trim to measure 3-1/2" if needed.

Next lay out all the units as shown below. Sew four horizontal rows, pressing seams in alternating directions by row. Join the rows to complete your Windmill # 3 block.
