

Clamshell Quilt Guild UFO 2021-2022 Challenge

Back by popular request we will be repeating the UFO Challenge Program. The sign-up starts in October with the first Challenge project due at the November meeting. Participants will pick 10 specific Unfinished Objects (UFOs) that are waiting to be completed. The UFOs can be a work in progress, a kit that was purchased but never started, specific fabric that was being saved for "something", a pattern purchased with good intentions, a quilting technique you always wanted to try but never seem to find time to do, etc. The 10 projects will be assigned randomly each month throughout the year. The UFO project number for the next month will be announce in the newsletters and at the meetings. The first UFO will be due by the November meeting.

Each Guild member who wants to participate should fill out the Clamshell Quilt Guild UFO 2021-2022 Challenge form. They can be can be turned into me during the meeting, as well as mailed or emailed. The UFO Project of the Month will be part of our Show and Tell at each meeting. Members can also post their photos on the Clamshell private Facebook page or email me a photo of your project. Those members who finish all 10 projects and turn in their Challenge form on or before the September 2022 meeting will be eligible for the grand prize drawings at the September 2022 Birthday Guild Meeting.
