

Clamshell Quilt Guild UFO 2020-2021 Challenge

For 2020-21 we will be having a UFO Challenge to replace our usual Block of the Month Program starting in October. Participants will pick 9 specific Unfinished Objects (UFOs) that are waiting to be completed. The UFOs can be a work in progress, a kit that was purchased but never started, specific fabric that was being saved for “something”, a pattern purchased with good intentions, a quilting technique you always wanted to try but never seem to find time to do, etc. The first UFO will be assigned for the November/December time period and should be completed in time for Show and Tell at our December meeting. The other 8 projects will be assigned randomly each month throughout the rest of the year; though we will be starting with the first project on your list, the UFO for January may or may not be the sixth project. The UFO project number for the next month will be announced in the newsletters and at the meetings.

Each Guild member who wants to participate should fill out the Clamshell Quilt Guild UFO 2020-2021 Challenge form. The UFO Project of the Month will be part of our Show and Tell at each meeting. Members can also post their photos on the Clamshell private Facebook page. Those members who finish all 9 projects and turn in their Challenge form on or before the September 2021 meeting will be eligible for the grand prize drawings at the September 2021 Birthday Guild Meeting.

If you have any questions or concerns please contact Terry Donati .
