

Clamshell Quilt Guild  
Alice's Archives  
Monthly Meeting, April 19, 2017

The speaker at the April 2017 meeting was Carole Lyles Shaw from Tampa, FL. She gave a presentation and trunk show "Patriotic Modern Quilts - A Tradition Made New", encouraging and inspiring us to learn and enjoy modern quilting techniques.

The following day Carole did a workshop on "Parisian Curves". Terry Donati's photos show the wonderful results, on this page and the next.
